To start,

You need to **initialize your wallet**.

You can either **start a new wallet** or **import a wallet** that already exists.

To import a wallet, you will need to provide your seed words.

NEW WALLET

Welcome to Hathor Wallet!

This wallet is connected to the **mainnet**.

A mobile wallet is not the safest place to store your tokens.

So, we advise you to keep only a small amount of tokens here, such as pocket money.

For further information, check out our website <https://hathor.network/>.

I agree with the [Terms of Service](#) and [Privacy Policy](#) and understand the risks of using a mobile wallet

Custom network: testnet-golf**CREATE TOKEN**

When creating new tokens, a **deposit of 1%** in HTR is required - e.g. if you create 1000 NewCoins, 10 HTR are needed as deposit.

If these tokens are later melted, the HTR deposit will be returned. Read more about it [here](#).
